*Additional notes November 14, 2016:*

- We have been contacted by the person who appeared in Nazi uniform at a Helen, GA beer hall on October 17, 2016. This person states that he is a reenactor. Wearing Nazi symbols in public will lead to people noticing and negative responses.
- After we published our chronology, we learned of an “Alt-Right” racist gathering at Stone Mountain Park on September 10, 2016. Photos and footage of the [gathering are here](#).
